We have a complete guide with every level of the game and tips, tricks, cheat codes, walkthrough, and Achievements. What is SpongeBob Schwammkopf: Schlacht um Bikini Bottom? Spongebob SquarePants: Battle for Bikini Bottom is a 1999 mecha game written by Boneyard. The goal of this mecha game is to stop SpongeBob Squarepants from destroying Bikini Bottom by capturing his home of Spongebob Squarepants. They can do this by capturing SpongeBob and the other characters using the forces from their mecha suits. The mecha suits include: Mary Jane shoes on SpongeBob, Spongebob Squarepants, and Sandy, and also uses a black square suit that is known as the "emesis suit" that is used by the characters, where it is assumed that Patrick uses the suit. There are over nine different levels in Spongebob SquarePants: Battle for Bikini Bottom, where the levels include the entire town of Bikini Bottom. The entire Spongebob SquarePants: Battle for Bikini Bottom Walkthrough will be broken down into smaller parts to help you along the way. Levels and Extras 1. Intro Level: In the intro, the player enters the home of Spongebob SquarePants, known as the "Schwam House". After the player is finished, Spongebob reveals that someone is using the sun to burn the town of Bikini Bottom, and the player is responsible for stopping this person. The player can talk to Spongebob about saving Bikini Bottom, but Spongebob points out that this is a little impossible because he has no way to even get out of his house. After talking to Spongebob, the player proceeds to be transported to a "sickness event". In
